

Mini Draw/Community Info

Mary Low Moir/Doreen Riggan

Thank you to Guild members who made mini quilt(s) donation(s) to this successful event. Over 60 little gems were won by our visitors. The display was attractive and the ballot bags were colourful.

Quilting Bee

Debi Arnold/Joan Tipping

A kit was prepared for sale containing a red heart fused to a teal background fabric, black embroidery floss and a needle. Blanket stitch appliqué was demonstrated. Visitors were invited to try hand quilting on the quilt set-up in the table frame.

Key Board Work/Design

Sue Pirie/Judi Sullivan

Sue's touch typing skills let her do the data entry in record time despite a "few" computer glitches along the way that caused her more than one sleepless night. Thanks to Alan White for the software design and "trouble shooting".

Judi designed the Quilt Show Entry Form & Brochure and printed off the Artists' Inspiration cards as well as all the indoor signage & Viewers' Choice slips.

Registration

Connie Walterhouse
Penny Squirrel

Connie & Penny's team received over 300 entries. The ID's were pinned on the correct entry and delivered to the correct Pod. At 4pm on Sunday the doors were closed and the entries were collected and returned in record time. A job well done despite the computer glitch.
