Message from our CO-Presidents

Happy spring everyone! I'm sure everyone is just as happy as I am to have the warm weather return. Spring is always a time of rebirth and renewal and this is even more true this year.

The Covid vaccinations have begun and hopefully many of you have received yours. My husband and I have pre-registered and are waiting for our turn. As more of us get our vaccines we should be on our way to an eventual return to normal and in-person meetings. The finish line is in sight. To use a quilting analogy, the piecing is done, the quilting is underway, and there's just the binding to finish!

Have you had a chance to start on your Presidents Challenge postcards? Full details are on page 5 of this newsletter. Fern and I are looking forward to seeing all the wonderful entries.

We have been continuing the Sew Alongs every second Saturday morning. We have had a few ladies show different techniques and ideas and its been so much fun to try something new. But the social aspect of being able to see and chat with your friends is just as important to me. If you haven't had a chance to join in, please give it a try – it's an informal drop in style so you can come and go whenever it's convenient for you.

The nominating committee is still looking to fill a few positions for the coming guild year. Please consider getting involved. It's a wonderful way to meet other quilters and make a difference to our guild. If you have any questions, please ask.

If you haven't yet joined a zoom meeting, please give it a try. If you need some technical assistance, just ask. And remember – you can join from a computer, laptop, i-pad, or smart phone. oslipenkyj@rogers.com

Hope to see everyone on April 19 for the next guild meeting. Our speaker is Diane Carson. I have had the pleasure of meeting Diane in person and seeing her spectacular work. Diane is a long armer and her presentation "Quilt Collaborations" will tell us about her award winning collaborations with her friend and piecer Anne Beaudoin.

Zoom link for the meeting will be e-mailed to you the day before.

May 19 Brandy Maslowski - Quilter on Fire

June 21 Virtual Quilt Show

For June, we are reprising our virtual quilt show where our own members are the stars. We want to see what members have been working on for the past six months or more. These items can be finished or still a "work in progress". We just want to see them and get inspiration from them.

So.....what we need you to do is take pictures of up to 3 items and send them to Linda Lewis (llewis1@rogers.com) by June 7th.

Presidents' Challenge 2021

It's time to reveal the Challenge for 2021. We hope everyone will try to participate in this activity. It is a simpler project than last year.

Your Challenge is....

**create a postcard using FOOD as the theme,
any technique can be used.**

- mail your postcard to the guild post box. Dufferin Piecemakers Quilting Guild, Box 325, Orangeville, On L9W 2Z6
- although fabric postcards can be mailed, you may want to put your entry in an addressed envelope to protect your card from mail damage!
- please include a message on the back of your postcard **but do not sign**. We want them to be anonymous.

Seek out ideas for the theme and how to make a fabric postcard on Google, Pinterest & YouTube.

Karen Brown (Toronto) from *Just Get It Done Quilts* has a YouTube tutorial on "7 Ways to Use Your Crumbs" which includes info on making postcards.

Perhaps your library will have a copy of Postcard Quilts – Gifts to Make and Mail by Caroline Reardon.

Journal covers made by Leah Mitchell
from Linda Horner's QBA on March 17.

Melissa Marginet

Our March speaker, Melissa Marginet, challenged us to "grow creatively" by trying new ideas that are limited to one or more concepts. These could include themes, fabrics, colours, design, embellishments, finishes and/or quilting designs. She suggested working in smaller scale (8 1/2 x 11) to try some of these concepts.

Also see Google NOTON Arts to try fun ideas.

Remember the Debbie Allen quote that she shared "Out of limitation comes creativity".

The guild library owns her first book, *Walking Foot Quilting Designs*.

Dear Friends,
Many thanks for your cards, phone calls, porch visits and gifts that I received on my 90th birthday.

Berva Buttery.

Do You Wash Your Fabric Before Using It?

Chemicals are one of the main components in our clothes. They are used during fiber production, dyeing, bleaching, and wet processing of each of our garments. The heavy use of chemicals in cotton farming is causing diseases and premature death among cotton farmers, along with massive freshwater and ocean water pollution and soil degradation. Some of these substances are also harmful to the consumer <https://www.sustainyourstyle.org/en/toxic-clothing>
